Thread: [Scammed by Tom` for 200m 07gp UID=1180295](#)

Mr James - August 26, 2015, 2:16 am

Basically, he posted a topic off him buying 07 GP:
<https://hackforums.net/showthread.php?tid=4963961>

I pmed him, we made a deal. I decided to go first on him because he looked kinda vouched

The next picture is him not reading any off my messages after trading him the money.

Next pic is me pming him, and then he says Sending now and then he goes offline.

He also self banned himself on HF now after the transaction lol.

Not looking for anything back, just want this guy gone from the community

Thanks,
James

Hopefully someone can help you by deleting him from the Internet.

Ew, sad to see this happening. I have sold him tons of mills without any problems ?
