Thread: [\[FREE\] PREMIUM E-WHORE PACK | HQ PICTURES](#)

Combustion - August 26, 2015, 3:30 am

Hello people, I began e-whoring 1 month ago, I made money and I improved my method for e-whoring, I'm using my own pack which I made myself and I won't share it, but I made other packs who are useless for me, they are good of e-whoring. All of the packs here were made by myself or by a mate who gave/sold me these packs.

So I'm sharing these packs to the HF community, enjoy.

Picture Pack #1 | ~87 Nude/Non-Nude pictures | Brunette/Blonde | BIG TITS, ABS AND ASS | PREMIUM |

Picture Pack #2 | ~80 Nude/Non-Nude pictures | Brunette | Fucking Pretty | PREMIUM |

I'll add new packs as soon as possible, cause my time is actually limited, if you're interested in one of these packs, the password is : donotplaywithfire.

What the actual fuck? This kid is fucking lying.

" I'm using my own pack which I made myself and I won't share it, but I made other packs who are

useless for me, they are good of e-whoring. All of the packs here were made by myself or by a mate who gave/sold me these packs. "

First of all.. Since I quit E-Whoring after making shit loads of revenue, I'll be giving the site where he " Made them "

He didn't make them nor his friend did. They were downloaded off a porn site.

<http://www.amateur-blogx.com/>

Fucking stupid fucking Ub3r dick head trying to act like he's some kind of E-Whore God.

Fuck off and kill yourself for trying to take credit from something you never did, careless fuck.
