Thread: [Black Girls or White Girls?](#)

Scymo - August 28, 2015, 8:52 am

Here's a discussion thread. Given the option, would you rather fuck a white girl or a black girl?

What's your reasoning behind choosing one over the other?

Vitani - August 28, 2015, 8:57 am

Latina Girls, Hottest out of them all.

Thierry - August 28, 2015, 8:57 am

If all is even and iits a hot a girl, i dont care, if there are going to be babies, I'll take a white girl because less racism in usa.

In europe, does not matter

Greenbird - August 28, 2015, 10:00 am

I just asked my negro friend and he said white girls because black girls attitude are too much and I agree.

SIM-1166170 - August 28, 2015, 10:02 am

What about Asian women? Sorry I'm not into girls.

Raymond Reddington - August 28, 2015, 10:03 am

Wow u are so racist. You see color while having sex?

Coton Pker - August 28, 2015, 10:06 am

the only sexy black girl I've ever slept with was nice, but the contrasting pink/dark brown coloring of her vagina was a weird turn off for me.

I'm not sure why.. she didn't smell, she wasn't wretched or anything.

the pink on pink of a pale-skin girl just looks more pleasing to the eye.

but then again, I guess they're both the same with the lights off.

minus the hair, I'd decline the black chick just because their hair is usually more coarse.

which doesn't feel as good when it's hitting you.

I know man how dare people these days see color. lol u srs or na?

Fiery - August 28, 2015, 10:57 am

White because I prefer white girls.

gore - August 28, 2015, 12:55 pm

Depends on the girl lol. I've seen some very attractive black girls and some very unattractive white girls and vice versa.

unknown321 - August 28, 2015, 12:56 pm

i prefer asians then whites i wouldnt do a black i agree many of them have attitude problems.

This guy has never had sex, CONFIRMED. ITs sex then you leave, what attitude O.o

Cosmetic - August 28, 2015, 1:26 pm

I prefer white girls mainly but it really just all depends.

Gem - August 28, 2015, 1:28 pm

I prefer white girls.

Black girls can be hella hot tho

Vegas - August 28, 2015, 1:29 pm

White from the waist up.-----

Pr0m3th3us - August 28, 2015, 1:31 pm

A white girl that is tanned, not spray on though ;) Latinas are good also.

unknown321 - August 28, 2015, 1:32 pm

If I was fucking and leaving , why do i care? Youre a coworker, obviously you aren't fucking lol. If you were just for hook up and leaving, you'd never see it with anyone. Think [BRAND NAME REMOVED]

wretched bitches be like "nigga if you cum too soon I swear fo jesus I beat the breaks off yo bitch ass."

in the middle of the act. (lol)

point being, you don't need to see them afterward to still get that "ratchet" attitude.

Digital™ - August 28, 2015, 1:40 pm

Well personal preference for me would be white girls although I have slept with various hot black, Asian and Latino girls but the dark hair is the issue as it becomes more visible on the body. But I would personally go for Scandinavian white girls with light color hair. Jeg elsker min kjæreste for alltid

Grievous????? - August 28, 2015, 2:38 pm

Beyonce or Madonna?

Yea definitely Madonna (>.<)

Nikolas - August 28, 2015, 2:39 pm

I guess I prefer white girls, although black girls can be equally attractive.

Pøw°CøM?ü? - August 28, 2015, 2:45 pm

I like Asian girls :P hahaha cause my gf is Asian so ha

Greg???????????????? - August 28, 2015, 2:46 pm

Why not both???

I like your style ?

Lion - August 28, 2015, 7:41 pm

They're both equal. I've seen sexy black women and sexy white women. I think people get the idea that all black women have a ratty weave for hair and are ratchet as fuck. It's not the case, trust me.

MrOG - August 29, 2015, 8:50 am

I don't care if she is white, an asian, black, green or what ever.

As long as they are hot, I've no fucking problem in fucking them

Maxi - August 29, 2015, 8:52 am

Black. I don't know why but they're sexy.

Ventriloquism - August 29, 2015, 9:18 am

There's not many hot black girls where I live, but yeah...I don't mind the attractive ones.

But for the most part I pursue white girls ?

keene91 - August 29, 2015, 9:20 am

Definitely white girls. Not even a competition.

Niko - August 29, 2015, 12:46 pm

I would prefer White, possibly Asian too.

King Wheel - August 29, 2015, 12:48 pm

I would prefer a 10/10 black girl over a 10/10 white girl, but all the black girls who live around me

aren't exactly good looking, or fit through door ways.

I can give you a picture, I have more some-where on my phone but meh cba uploading.

Vocaroo I can't do.

SSmile - August 29, 2015, 8:07 pm

white girls all the way!

why? because if it aint white it aint right baby!

Trillberto - August 29, 2015, 8:11 pm

I'd rather have a black girl but not super dark or super ghetto. I'm white so to me fucking a white girl is only a step up from rubbing one out. I like brown skin and brown hair, Latinas all the way though.

holy shit m8 we got an alpha user here

King of Clubs - August 30, 2015, 10:34 am

For starters. I'm white myself.

I like "Darker girls". Not fully black but just a bit darker than the average white chick.

Zeeka - August 30, 2015, 10:34 am

I prefer white girls because I prefer white girls. I don't have to justify a reason.

Unhinged Pineapple - August 30, 2015, 10:51 am

I hate it when people say "We're all the same on the inside" or "Skin color is the only difference between us" That's not true. Compare the head structure of a Caucasian person with a Sub-Saharan African person or an East Asian person. We're not all the same.

To answer the question, white girls. Second would be Asian though.

0x45 - September 14, 2015, 7:19 am

East Indians are the best.

Purest. - September 14, 2015, 7:22 am

Amount of racism...

Fuck, white's ftw.

Juicy - September 14, 2015, 7:24 am

White girls.

I'm not trying to be racist, but it is something about black women that I cannot stand. I love black guys, I have a bunch of black friends. Just black women are so loud and obnoxious and a lot of them smell just terrible with their weaves and stuff. So white girls by far.

Pr0m3th3us - September 14, 2015, 7:25 am

This isn't even a challenge. White all day.

FilmNerd - September 14, 2015, 8:55 am

Depends what they look like, but I would probably pick the white girl.

Fleckens - September 14, 2015, 8:56 am

I'm black but I don't fuck with blacks.

White 4 life.

Fuego - September 15, 2015, 10:39 pm

Funny how most of you answer "I'm not racist" but OP never asked if you were. You see white/black next to each other and you automatically stereotype the two. OP asks you for your preference, not 'hey are you a racist?'

(Aug 28, 2015 10:06 AM)Coton Pker Wrote: [\[CITE\]](#) minus the hair, I'd decline the black chick just because their hair is usually more coarse.

I agree on the hair part sometimes, but it doesn't keep me fully away from them. Most I know wear braids or have it styled to where it's not an issue for me.

bingo

this guy gets it

i never asked, i just want to know which you'd prefer

Scymo - January 23, 2016, 10:00 am

how did this end up on the front page of the lounge again nobody even posted in it

Ta-kun - January 23, 2016, 10:01 am

White girls. Black girls just aren't that attractive with their clothes off. Lmao

Dowls - January 23, 2016, 10:01 am

Situational tbh, can't be tied to one race.

I'd fuck anything with a pulse.

Dory - April 17, 2017, 1:40 pm

Colour is irrelevant to me, do prefer white girls however.

HandiApp - April 17, 2017, 1:56 pm

I prefer white girls just because of the attitude a black chick gives. Its obnoxious and sound like howler monkeys

LuckyTiger7 - April 17, 2017, 2:57 pm

WHITE>BLACK, even though im brown lol

SIM-2053312 - April 17, 2017, 3:19 pm

Race and skin color doesn't really matter to me, it depends on the girl. Everyone has different attractiveness and personality

Outis - April 17, 2017, 3:47 pm

I find all different types of girls hot, white, black, mix raced, latina, asian etc. Really just depends on their face/body.

If anything though, I'd love to be with a super hot mix raced girl
