Thread: [Anyone wanna help me learn lua hacking? Specifically GMOD related?](#)

shite - August 29, 2015, 2:13 pm

I have no knowledge when it comes to GMOD coding or lua. Anyone have any time to help me?

Search up some tutorials on Google or YouTube. That should suffice for now.

Preach.

I'd highly recommend reading through all the lua.org docs first, they give a pretty damn good overview of general Lua.

I get many questions about how I learned lua, I DEFINITELY recommend Lua.org Just use the docs on there.
