Thread: [\[TUT\]simple -Grunge portrait](#)

freemium - August 29, 2015, 5:02 pm

Hy there, I made another tutorial, using color range, and a grunge texture, random from google image search.

I didn't go in depth, I let your imagination to take over when you play with this technique
Have fun!

freemium

(I will post the full resolution pics, I think you can see better this way)

you can get other parts with color range or by selecting, and use other layer effects :)

hmm please delete one...Idn Wat happened...

One L?ve - August 30, 2015, 1:48 pm

I guess this would be a good tut for people who are interested in grunge ^_^, doesn't interest me as much but good tut OP LOL!

freemium - August 30, 2015, 2:36 pm

I m glad you like it i'm virtual, though you are not into this(grunge thing), that is something :) ty

Nice Tutorial buddy, thanks for sharing.

Jme420 - September 1, 2015, 10:40 am

yep, nice tutorial, thanks !!

Idusk - September 2, 2015, 8:07 pm

This is actually really cool i might use this for some designs that i need

Band1to - January 8, 2016, 11:14 am

Very nice tutorial i am doing it atm will post my results when i am done

qAzrael - September 29, 2017, 4:00 pm

Good tutorial my dude, cheers.

Getrektlol - October 13, 2017, 8:28 pm

Nice tutorial, thanks man!

skuter4o - *January 6, 2018, 3:41 pm*

Very good tutorial, thanks !!

krazherz - *January 24, 2018, 6:14 pm*

wow this method is something new to me, good idea and thanks for sharing!

Komorebi - *January 29, 2018, 6:01 am*

Amazing and useful tutorial! Thank you so much.

Xannie - *February 2, 2018, 10:32 pm*

Commenting here so I remember to use this tutorial when im on my desktop sick tutorial man :)
