Ultimate Feeling Good Quotes

To... make you feel good :)

Confidence Quotes:

Confidence is not 'they will like me'.
Confidence is 'I'll be fine if they don't'.

Inhale Confidence.
Exhale Doubt.

With confidence, you have won before you started.

A tiger doesn't lose sleep, over the opinion of sheep.

Be yourself, everyone else is taken.

Stop letting people who do so little for you,
control you so much for your mind, feelings and emotions.

You're a crayon, I'm a highlighter.
You may color the world, but I make it brighter.

Inspirational Quotes:

Start by doing what's necessary;
then do what's possible;
and suddenly you are doing the impossible.

If opportunity doesn't knock, build a door.

If "Plan A" Didn't Work.
The alphabet has 25 more letters!
Stay cool.

Be the change that you wish to see in the world.

If the plan doesn't work, change the plan.
Not the goal.

Positive Quotes:

Yesterday is not ours to recover,
but tomorrow is ours to win or lose.

Keep your face to the sunshine and you cannot see a shadow.

Every day brings new choices.

Think like a proton & stay positive. (For the science nerds out there ;))

You can't appreciate good days, without the bad ones.

I AM IN CHARGE OF HOW I FEEL.
AND TODAY I CHOOSE HAPINESS. :)

Things fall apart, so that other things can fall in place.

Sympathy Quotes:

The purpose of human life is to serve,
and to show compassion and the will to help others.

We should feel sorrow, but not sink under its oppression.

The cure for sorrow is to learn something.

Whether rich people make money or lose money,
they get no sympathy from the public.

Death is not the greatest loss in life.
The greatest loss is what dies inside us while we live.

Success Quotes:

Success is how high you bounce when you hit bottom.

Action is the foundational key to all success.

To be prepared, is half the victory.

A person with a new idea is a crank until the idea succeeds.

Success is where preparation and opportunity meet.

I will be adding at least 2 more sections tomorrow and at least +5 more added to each section.
Stay happy people :)
