you did :(but then i'd only have made like \$30

going in with another .03 xD

Update on .03 - made it to .3 withdrawing .29 - <http://prntscr.com/8aryw6>

I once got .86 with .1 and then lost it all.

Wasn't too happy...

Ended up at .45, could've had like .51 but it's whatever haha.

nice man. nice. keep on doing what you do and you might get rich

Wheezy Gang - August 30, 2015, 7:25 pm

I've lost 1.5 BTC on PD. Stop while you are a head. You will lose, trust me.

SIM-2270048 - August 31, 2015, 11:28 pm

Lucky Lucky man. Keep it up.

What is this?? Sounds like your making easy money and I kinda wanna try this :)

Shadexpwn - September 1, 2015, 4:13 pm

Pretty dang cool, make sure you hold onto your BTC for the time being.
