Thread: [Free RAT Install Testing](#)

LilHackers - August 30, 2015, 7:14 pm

Free Test Installs

If you guys need any test installs, for your RAT's feel free to add me on Skype. I'll be more than happy to help you out! If there's a problem with anything, ill do my best try and fix it for ya. ?

Spoiler ([Click to View](#)) PM me for my skype

Terms of Service

I am not responsible for any damage/ harm you might cause with your RAT.

Use this for educational purposes only.

Only install rats on computers you have access to.

By using this service you agree with the Terms Of Service.

Human - August 30, 2015, 8:02 pm

Vouch! Great guys helped me out alot!

Coletheon - August 30, 2015, 8:15 pm

Very fast and professional, HQ user right here.

Wink Emoticon - August 30, 2015, 9:59 pm

Vouch for this user. He makes 1 tests slave on his pc.

LilHackers - August 31, 2015, 10:03 am

Thanks for the vouch guys! Still doing this service if anyone is interested. Just add me skype and I'll help us from there. PMs don't really work to well because, . So I would love it if you contacted me via Skype. Thanks

eoNe - August 31, 2015, 12:31 pm

Vouch for this guy he tested my stub.

DamienVC - August 31, 2015, 1:07 pm

Cool service, might hit you up later.

Nadisty - August 31, 2015, 1:28 pm

Vouch for this user, spent 10 minutes trying my stubs out!

President Morty - August 31, 2015, 1:49 pm

Vouch he tested it fairly quickly

Khamul - August 31, 2015, 3:18 pm

Cheers for the stub test...vouch for this guy!

Im Miley Cyrus - August 31, 2015, 3:56 pm

Thanks for helping me!

This user is very,very nice.

Ted™ - August 31, 2015, 4:18 pm

Vouch for LilHackers here tested my Rat very fast ?

Loyepop - August 31, 2015, 5:03 pm

Great guys help me test my stub all day, huge vouch for him.

choikomatt - August 31, 2015, 7:34 pm

Cheers for the stub test, and help with my rat. Huge vouch for his help ;)

YunoLawliet - August 31, 2015, 7:52 pm

Vouch fast and does what he says,

FastCrypt - September 1, 2015, 12:23 am

While you are helping them you could also you use my free service of crypting. (And make it better - check my thread)

Good job mate.

SIM-1472198 - September 3, 2015, 2:36 am

Vouch fast and smooth! what a cool bro! :D
