Hey guys just bought L33T felt the need to share ?? need to become more active but whenever on forums I always feel like I have nothing useful to post and i'm just spamming for more post count. Thoughts?

If you want to spam for post count then stay in this section. Lounge gods will roast you but you will get your post count up.

What are you good at?

Do you like sports? Post what you want to post ?

grats on the upgrade btw

Congrats I guess.

Welcome to the l33t team.
I wish i was l33t still.

not really.

numbers.. but what do they mean? synchronicity! !!!!! I am the light .. :) because I know I am.. I hope my presence creates a butterfly ripple effect that sends others on their journey s to know they are the light ! remember you are blessed and an eternal soul so do the right thing always regardless of the cost . peace n love. ?
