what a nice boy you are, so kind and caring

CocoaNut - September 1, 2015, 2:00 pm

Get her some love instead imo. It's really cool and all. But any good mother will take spending time with her son before a cell phone :)

You could've bought her a gaming PC.

Anyways, get out me mums car.

Sir it's me ur mummy!

Honestly though, dayum.

Dorrance - September 1, 2015, 2:02 pm

Nice my mom does not really ask for much so I wouldn't need to surprise her with presents, but very nice I might buy one myself.
