etc...

would take too long, I just picked some random songs...now feel the drum power:)

I didn't include Mike Portnoy and others...list is too longXD

if you want me to post individual, guitar bass, piano/organ and stuff that I like just post here:)

look here for a modern well breaded band-experiment

Tony Levin from King Crimson breed the rest Dream Theater = AWESOME

omg...I miss high-school :)

now this is technique power and team-up ;)

Levin impressed me with chapman stick like an addXD

--- welcome to our world ---
