Thread: [How do you buy amazon gift cards with your amazon gift card balance?](#)

Squint - September 2, 2015, 5:13 pm

I wanna exchange in the future but have no idea how to buy an agc with my agc balance. Is there even a way?

Ninetales. - September 2, 2015, 5:14 pm

no possible way. sorry bout that buddy.

Mostafa - September 2, 2015, 5:15 pm

there is no way you could do that.

Fiz? - September 2, 2015, 5:28 pm

I tried this at one point myself, unfortunately it doesn't work.

Nice - September 2, 2015, 6:09 pm

You can't buy ANY gift cards with your balance, even physical ones such as GameStop Best Buy etc. You can't buy gift cards with gift cards.

To exchange AGC's for money you need to save the code when you receive it, but never redeem it.

The best way to turn AGC into cash, if you don't mind Bitcoins, is through www.purse.io.
