Wow looks like a nice service OP, GLWS!

xx 0x0 xx - September 3, 2015, 7:26 am

thanks bro for this nice support :)

SIM-2223238 - September 3, 2015, 7:27 am

these mofo looks beast as fuck

LexoZ1 - September 3, 2015, 7:28 am

No means to sales thrash but please validate this is bought from legit source because there is SE service for this in other places if you use your own address you may get billed.

xx 0x0 xx - September 3, 2015, 7:36 am

all work is 100% legit we have nothing to hide bro so it's safe 100%

thanks for comment's guys waiting for orders com on guys who don't wanna best wifi connection huh !

herohck - September 4, 2015, 7:35 am

its amazing, I vouch for this guy ;)

SH?Đ? - September 4, 2015, 8:10 am

its amazing vouch man of the thread

xx 0x0 xx - September 4, 2015, 8:16 am

thanks a lot guys for this nice comment's

and yeh AC1900 is very good high performance with very good price

CalmdoRK - September 5, 2015, 4:33 pm

I vouch too for the routers

xx 0x0 xx - September 6, 2015, 12:05 pm

thanks a lot bro nice to deal with you :)
