Thread: [Sosuke's MiddleMan Service | Cheapest Around | Don't want to be Scammed? Come Here!](#)

Grievous????? - September 3, 2015, 1:42 pm

I'm doing a middleman service!

Price will be \$0.10 each.

So \$0.20 for an exchange between two people.

I don't have 500+ rep or so. But from the rep I do have, all of it is positive apart from 2. I'm a new enough member, so I understand if you do not trust me but everyone has to start somewhere right?

So I'm giving you my word, trust me and I'll trust you ?
