A free account generator?

I'm not sure if I can.

Nope. Its not allowed. Sorry.

Product Keys and Unlicensed Software

Product keys, key gens, serials and software cracks are not allowed. This includes the selling, trading, or requesting of any illegal unlicensed product keys. HF is not a warez forum and we will no longer tolerate our site being used as one.

NFA account generators are sold in the NFA marketplace, which is allowed, however linking to a free generator which also has NFA accounts is not allowed. Sorry.
