Thread: [\[Helping\]IRC Setups And Exploits.](#)

Processing - September 5, 2015, 5:56 pm

Hello , Hack Forums Members , I will be helping people set up IRC Botnets , and only 1 exploit to go with it , so if you need help setting a IRC up add me on Skype "processing,bots" .

You will need .

> VPS Server Or Dedicated Server <

> mIRC Downloaded Already <

Thats about it , if you need help setting up , and adding exploits or irc bots I will help you message me on skype :) 'processing,bots"

Chegu - September 5, 2015, 6:26 pm

What exploit are you helping to set up with the irc, PMA?
