Yeah that would be a really cool ad on.

You gotta give him a break tho, he does a lot for the site.

He's obviously really busy and he doesn't have a lot of staff, plus if no one wanted it that much he probably didn't see it as a big priority.

He cannot do everything at once.

(And I'm not sucking up to Omni, I just know what it's like to have a big to do list)
