Thread: [hi so it seems like a lot of you are pretty shit ewhores heres a method](#)

Optimized - September 7, 2015, 9:08 am

Literally scrolling through kik and adding some random ewhores.

My god idk if your from here or other sites based on ewhoring but.
you're not really that good to be honest.

POST HERE OR MESSAGE ME. DO ONE.

its not exactly a method. More of a... technique which isn't very difficult to get good at, but will probably triple your earnings if you haven't adapted to it already.

Thank you,?

"just scrolling through kik and adding random e-whores"

What makes you think any of these people are from HF? I guarantee 90%+ of the "e-whores" don't even realize there are discussion forums for e-whoring, I had the idea by myself and never even knew it was called "e-whoring", and that's more than likely the case with the people you're finding randomly on kik.

It doesn't take a genius to realize pretending to be a girl can get you free shit lol

EDIT: got the method very fast, this could really help out alot of people.
