Hello,

I'd like to thank you for this opportunity for everyone in the need of ub3r.

I've honestly been trying all sorts of contests to get a shot at winning the upgrade. I just joined probably 10+ contests maybe over exaggerated but I can't provide the funds due to Paypal being stupid and wont cooperate with me at all. So far, my lucks not that good and I'm soon going to be giving back to the community with many things. I hope I deem worthy of this upgrade and this would make my day, I just got off another call with Paypal and they are really getting under my skin. ???

Thanks,
Kamek.

P.S, if you do a trust scan on me; you'll be able to see that I'm approved.
