Thread: [HF member using stolen funds](#)

BotMarket - September 11, 2015, 8:55 pm

hey guys watch out for a guy who tries to buy your products with the email of yonkers7571@gmail.com

used stolen funds from a pp account pipseer@gmail.com

So block both emails from your accounts.

ProxyTM - September 11, 2015, 8:58 pm

Thanks for the heads up, but what is his name..? Or isn't it allowed to say?

You mean if the other party use stolen fund in his paypal acc to buy seller products, will the seller paypal acc be limited after that?

Balding - September 11, 2015, 8:59 pm

You should link his profile and UID.
