Thread: [\[Free\] Minimalistic Thread Design](#)

Issvor - September 13, 2015, 12:08 am

I was bored and I wanted to try to make a thread design; I like the outcome.

If you want the .psd, PM me and I'll get it to you asap. If you can't PM me, just reply and I'll PM you.

Here's a different version that changes the "feature" box's header, both are in the same .psd:
