Hi Friends,

I am B. Tech - Computers by profession. And have a rich experience of approximately 12 years in different companies like - HCL, HDFC Bank Ltd etc.

I have been in to diversified roles during my job tenure. The fields I have worked in are -

- Customer Service - E-mail & Chat Support
- Customer Retention
- Technical Support
- Content Writing

I am fond of writing articles and here I am offering the same -

- It can be an article assignment of your school/college homework.
- Essay's. My specialization - Information Technology.
- Research work - Any type of language change/modification required.
- Proof reading
- Or any other stuff related to Article/Essay writing.

Please contact me here and we can proceed further with the job!

Thanks & Regards.

Vouch for this man he's a capable writer.

BTB™ - September 13, 2015, 7:47 pm

Thanks for the vouch mate.

Looking for some work. Cheers!

iSki - September 14, 2015, 12:29 pm

You didn't post a price..

How much per article?

Mate, the same can be decided over Skype/PM.

Thanks. ?
