No regulars, sorry this is exclusive mate.

[About]

LQ thread but the idea needs a small team to get together and you will be credited providing you can provide me some support with the idea.

Please post below and I will get back to you as soon as possible. Thread will be closed at 25 replies or so, because I will only go through that many responses. If you are already in my eW group let me know there. You are required to have skype for this project.
