Lol at Paint design. Where did you get it originally?

Blue Sapphire - September 16, 2015, 12:42 pm

(Sep 16, 2015 12:40 PM)LordCoder Wrote: [\[CITE\]](#) Lol at Paint design. Where did you get it originally?

Downloaded it somewhere, going to hire someone later to fix a better one >.> dont currently have a lot to spend.

Chief Sosa - September 16, 2015, 2:25 pm

I received a vouch copy from Blue Sapphire and that's my review.

????????????????????

Author: Blue Sapphire

Reviewer: Sowik13

????????????????????

4/5

The quality of the ebook is good. He showed you how to get started but i think that he should add more information about how his method works and some material that may help you.

You can invest some money if you want so you can get more slaves faster, but as i said it's optional.

4/5

The method isn't that hard to perform if you are into this stuff and have some experience. If you follow the ebook you should be able to make some slaves really fast.

3.5/5

The layout is simple.I don't like how to front page looks but the rest of the ebook is ok. There are also pictures so you can see how some stuff should look.

3.5/5

The grammar is ok. There are some grammatical errors but you can still understand everything in the ebook.

4.5/5

I've seen similar methods but not like this one. It is an unsaturated method, it's not one of those Youtube or Torrents methods.

Notes:

- The price for the ebook is really good.
- You can make a good amount of slaves if you do this correctly.

My overall rating for this eBook is: 4

Thanks a bunch for your review! i know about my grammar issues so i expected this to happen on a review, thanks for saying it is still understandable, and about the layout i will change the font page and do more about the layout later.

Blue Sapphire - September 18, 2015, 2:43 pm

If someone wants to buy it, please hit me up, it is autobuy in the thread.

dopepizza - September 19, 2015, 1:25 am

I have gotten a review copy from blue and i have read a lot of spreading methods and i have to say, it is a really good method.

It has a lot of potential, this is something i haven't seen anywhere.

The method is good, the layout of the ebook might not be the best and there are some grammar errors but still, i can read it and the method works perfectly.

I would suggest you get it because this is going to get you some damn slaves.

Good luck people.

Rating: 8/10

Thanks for your vouch ?

Greg???????????????? - September 19, 2015, 12:14 pm

Vouch for blue! One of the most hq members that i know.

Blue Sapphire - September 20, 2015, 3:11 am

HMU about any questions on this product.

SIM-2508228 - September 24, 2015, 8:08 pm

Quality

4/5

This is a high quality method and due to human nature you should be able to get plenty of slaves with ease.

Difficulty

4/5

The method isn't that hard to perform if you are willing to put a little but of time and effort into this.

Layout

3/5

The layout is simple and easy to read i personally am not a fan of the colors but its still readable and doesn't really make a difference.

Grammar

3/5

There are a few grammatical errors but you should still be able to understand everything pretty well

Originality

4/5

I personally have not seen anything like this before so you should have no competition when trying this method

Blue Sapphire - September 26, 2015, 5:53 am

Up for sales, pm me if you got any questions.

Blue Sapphire - September 28, 2015, 1:46 am

Going to pay a sticky soon, let me know if you want to buy this by PMing me @ HF or Adding me @ Skype.

Blue Sapphire - September 28, 2015, 12:22 pm

(Sep 28, 2015 12:18 PM)Omniscient Wrote: [\[CITE\]](#) This is a paid sticky until October 5, 2015.

HackForums does not endorse the product nor vouch for the seller. As always any deals on HF are at your own risk.

Thanks omni! time to get some sales for this awesome e-book, hmu if you want to buy!

Greg???????????????? - September 28, 2015, 12:25 pm

High quality guide and a hq member!

Blue Sapphire - November 7, 2015, 4:15 am

I am going to sell this product again, this time for bitcoins only since my paypal has been limited.

YayHar - November 7, 2015, 4:20 am

Does this method have anything to do with steam Greenlight or binding your stub to a game like the Greenlight method?

Blue Sapphire - November 9, 2015, 9:26 am

(Nov 7, 2015 05:20 AM)YayHar Wrote: [\[CITE\]](#) Does this method have anything to do with steam Greenlight or binding your stub to a game like the Greenlight method?

No, it doesnt have to do anything with all of this. it is also more a method for getting any slaves, but most of the time they got a lot of money.

I have junked my other threads, if you feel like buying it and have any questions i am currently only availble @HF PM, it is all autobuy, if you buy it dont forget to vouch please.

Blue Sapphire - November 14, 2015, 4:00 am

still for sale, hmy with any questions at this moment i am only availble @ PM.

Blue Sapphire - November 22, 2015, 1:57 am

Hmu regarding any questions, it is 100% autobuy.

Layout - November 22, 2015, 2:35 am

Vouch for Blue Sapphire. He is a high quality member. Do not hesitate to purchase from him.

Blue Sapphire - November 23, 2015, 12:17 pm
