Thread: [\[EVERYONE\] UPGRADE CONTEST! L33t, Ub3r or 3p1c! Gift or Emerald award!](#)

Gem - September 16, 2015, 3:43 pm

Had luck with gambling yesterday so I have decided to host a contest to upgrade one lucky member to l33t, ub3r or 3p1c!

If you are already upgraded, you can also enter for the Gift or the Emerald award.

Please read the rules for this contest:

*You must be eligible for an upgrade, so if you want Ub3r, you have to provide proof of your approval!

*You cannot have a warning level above 20%

*You can only enter once.

To enter this contest, you just have to post in this thread. Post whatever you want. A funny picture, a joke, whatever. Doesn't matter.

Only thing that matters is that you specify which prize you want, provided you follow the rules above.

THIS CONTEST WILL END ON SUNDAY THE 20TH OF SEPTEMBER! 09/20/2015

Good luck!

Winner will be chosen with random.org based on your entry's postnumber in this thread. Therefore, only one post is allowed.

If you win, and you have more than one post in this thread, you are disqualified and a new winner will be chosen.

You will also be disqualified if you do not follow all of the rules stated in this thread.
