Thread: [Giving away 5 free signatures \[FREE\]](#)

Makan - September 17, 2015, 1:25 pm

Sup errone!

So I just got back to doing graphics again, i've been away for some time now. So I decided to give some back to the community.

I'm giving away 5 free signatures.

To get the signatures, you need to give me information about the signatures, colors, size, text etc. You can give me the information by either:

Post here

Private message me

or add me on skype : Martin-msn

I will choose the ones that i feel like doing.

2 left!
