Thread: [\[EVERYONE\] Steam Gift Contest! 5 Winners!](#)

Gem - September 17, 2015, 2:07 pm

I've had these games in my inventory for quite a while now. I have now decided to give them away, because I do not want or need them.

2 x Rabbit Hole 3D: Steam Edition
1 x Shower With Your Dad Simulator 2015: Do You Still Shower With Your Dad
1 x Electronic Super Joy
1 x Don't Starve Together (This is NOT Don't Starve. This is the standalone multiplayer version.)

You can see the games in my inventory here:

<https://steamcommunity.com/profiles/76561198219932164/inventory/>

Rules are simple:

*You can only enter once.

More detailed at the bottom of this thread.

To enter this contest, you just have to post in this thread. Post whatever you want. A funny picture, a joke, whatever. Doesn't matter.

Winners will be chosen one by one, so specifying which game you want is not an option.

THIS CONTEST WILL END ON SATURDAY THE 19TH OF SEPTEMBER! 09/19/2015
Good luck!

Winners will be chosen one by one with random.org based on their entry's postnumber in this thread, and will be PM'd one by one.

So the first winner will be able to pick 1 game out of the 5. The second winner will pick 1 out of the remaining 4, and so on.

This also means that **ONLY ONE POST IS ALLOWED!**

If you win, and you have more than one post in this thread, you are disqualified and a new winner will be chosen.

I also have another contest running right now for an upgrade to L33t, Ub3r or 3p1c!
