## HACK FORUM'S BIGGEST UNOFFICIAL SKYPE GROUP

### Application Format

Code [color=#FF0000][font=Times New Roman]HF Name:[/font][color]  
[color=#FF0000][font=Times New Roman]Skype Name:[/font][color]

Group RulesDo not change the group avatar, topic or any of the group settings.

Do not use third party tools to edit other peoples messages within the chat

Do not send files of any kind (jpg, png, gif, exe, etc.)

Do not ask for group MASTER (Administrator)

Do not threaten other group members or cause events that could stir up arguments

No spamming, mass use of emojis or mass use of caps.

Oh and, don't use the group to DDOS other members. Grow up, seriously.

By applying for the group you agree not to talk about the eWhoring subject (I have a group for that...), to follow all group rules and not to ddos other members under any circumstances.

Disclaimer ([Click to View](#))

Any scams, ddos attacks, doxes or anything caused in the chat I take no responsibility for, I take responsibility for the punishments, but if it happens, I can not stop it and will not attempt to.
