100% - i betted with myself.

TheSuspect - September 20, 2015, 4:03 am

Come on not another bloody jackpot site.

Kuta - September 20, 2015, 4:19 am

It looks alright but i can't login or anything.

When i click the login button it redirects me to the home page

snookeee - September 20, 2015, 5:52 am

i.imgur(DOT)com/71TWd6n.jpg Same as skinrage.de, fix bugs!!!

Erbhy4 - September 20, 2015, 8:21 am

This is almost a complete rip-off of skinrage.de, which probably is also copped... You only took
your time to change the information in rules, history, about etc.

respond Kaae pls

CocoaNut - September 20, 2015, 9:04 am

Everyone hating on you OP. It looks really nice imo, I put in a few skins :)

K0tt3xZ - September 20, 2015, 9:09 am

Are you fucking serious dude?
LMFAO?

You are literally using a logo which has been created by an HABBO FONT GENERATOR?

CMON...???

SIM-1091100 - September 20, 2015, 10:24 am

Laggy as Fuck. Round ending with 40 seconds left, trades flat out not going through.

Would suggest to make something unique and own coded.

I know it will cost a lot if you can't do it yourself but people will instantly ignore you if you use any public/leaked/similar looking as other - jackpotsites.

gl man?

Come try out SkinFlipper.com, new custom layout, new bot! 3 seconds bet delay, edge speed!

Zenan_ - November 3, 2015, 8:44 am

Looks good but the loading time of the site is a little bit slow on my computer. D:

Bajamaja - November 3, 2015, 11:12 am

trying to enter but loads forever for me :/

woahxx - November 3, 2015, 11:50 am

Sad to hear about the loading time, where in the world are you entering from?

2.48 seconds is not at all slow. :)

That is my loadtime.

Divined - November 3, 2015, 12:30 pm

Even though your site is nice, please don't spam other sites (including mine) to gain traffic.
Thank you and good luck with your site.
