Good to see that you are earning but :-

1. No adult images with nudity
 2. No linking to adult websites
 3. No discussions on extortion or blackmail
 4. No topics or discussion on breaking Paypal TOS or fraud
 5. No threads bragging about your earnings. Visit the Bragging Rights forum instead.
- And I like what you said -Never give up, fail, do it again and dont loose faith. Life is good.

Well, i dont see this entirely as a bragging post, was a good read indeed. Good to know people make huge income from this, with enough effort one could get a pretty good income with this. Congrats bro, and good luck with your new project ??
