Not down for me, we have a large network of servers, IP masking done in Germany.

0x - - October 20, 2015, 11:26 am

Leaseweb? Really? LOL Those servers we can get them for hella cheap on other markets for like \$5 and to prove it to you I'll post a full dedicated server credentials once I get to it later on.

What a shame!

Uhm, why don't you contact us with your domain so we can solve this?
By the way, in our ToS it says: No refunds.

I sent you PM about that. ?

ROFL OMG - October 25, 2015, 11:09 am

What's the point in getting anon.tech credit if this shit don't work. Sorry to be rude but can't I just get my money back for something that has not worked for a single day ?
