Don't waste your money on something stupid.

Be smart, buy this method, and make more money.

Like any product I release - This is a steal.

Turning \$100 into \$1000 dollars is an easy choice.

I've offered this method for members who really want to earn.

But maybe don't have the patience or confidence to invest into some crazy online scheme.

This is a straightforward approach to making instant money.

No frills. No signups. Just profit. [img]<http://www.reign-products.com/BurnProfit1000Dollar.png>[/img]

If you came here looking for some auto-pilot method that pours money into your pocket while you jack off, you came to the wrong place. Like other money making methods, you must treat it like a

job. The more you work, the more you earn. The method itself does not require an initial investment (other than time) but you'll need common sense.

(Sep 23, 2015 10:22 PM)Chukozy Wrote: [\[CITE\]](#) Quality: 10/10

This ebook has a simple look to it with no nonsense in between the instructions, so it will be very clear to read along and understand what's being said.

Was constructed great for users to learn from with some pictures to look at.

Method Effectiveness: 8/10

The method involves no investment, which is really nice. The method itself seems like it has the potential to make a lot, especially if you put the work into it!

It will can be effective but earnings will depend on your quality of effort and this ebook goes over that to help maximize profit.

Grammar: 10/10

I did not notice any grammatical errors in the ebook.

Ease of use: 6/10

Going through this product, I was intrigued and slightly upset due to the level of effort that I think is required.

I will say, It's not a walk in the park, but you can sure as hell make a lot of money if done correctly. You cannot necessarily "autopilot" this method, so you won't be walking away from your computer and resume making money until you get past the essential point(s).

(Sep 27, 2015 03:26 PM)Sora123 Wrote: [\[CITE\]](#) It's not really a "method" on how to make money but rather a "way" that will show you how to get some.

It's very detailed and easy to understand. This method is not recommended to those that are lazy since some work is required. With the support of OP, it should be easy to make some money.

Again this is not really a "method" so keep this in mind. Good luck with sales.

- FAQ -

It's white-hat?

It is white hat.

Autopilot?

It is not currently autopilot. There is plenty of room for innovation. It might be in the future.

How much will earn daily?

Earnings will vary.

It can definitely make \$1000+ directly after setup.

How much work and hours need to put to make a min. \$?

It takes a little bit of effort to set it up.

I was able to set everything up in 5 hours on and off between eating and watching TV.

Involves ebay, selling? talk/chat with people?

It does involve selling.

You don't need to talk or chat with people at all. No ebay.

How will receive and withdraw the money?

This is explained in the product.

It is totally up to you how you choose to receive or withdraw earnings.

Works worldwide?

Yes. It works worldwide. With respect to language barriers.

Only accept BTC to pay for this?

Yes. I'm only accepting BTC, because it is quickest & safest IMO.

Sorry, but at this low price I honestly can't justify giving out any more vouch copies.

I never expected this much traffic and activity, because I'm already considering trying for a sticky.

For what buyers are getting I'd say this method is underpriced atm. It is a unique method, and can easily earn 10x it's buying price in a day.

I'm waiting a month before increasing the price, because a few of you guys have expressed that you want the method, but don't have the money atm.

I have considered giving out \$25 coupons for a discount to those who really can't afford it. (So long as no asshats decide to lie about their situation)

If you really need the assistance I have no problem with making an exception, and lowering the price down to \$75 or \$70 so long as my goodwill isn't abused.

If anyone is interested in buying BurnProfit, because they want to understand how to make money with this new method, I am available online to answer any question.
