I went to TouhouCon last weekend and it was.. weird. Dudes dressed in grill costumes and fucking neckers with rotten teeth. AND THERE WERE WEEBS PAYING TO TAKE PICTURES WITH SOME SLUT IN SHIT COSPLAY. There were also cute girls who drew hentai, which was interesting.

i bought a poster though and a cool oreimo book that had some small posters and character sketches (pls dont judge).

iKickCats - September 23, 2015, 4:23 pm

I know a few girls who draw hentai, they do it for the \$ not because they enjoy it at least most.
