Vouch for my boy Fam with this HQ Doxing Guide.

Grievous????? - September 24, 2015, 1:56 pm

Thanks for the vouch!

Decided this would be a more suitable place to sell this ?

Yakz - September 25, 2015, 6:04 am

BIG vouch for Fam! Don't hesitate to buy.

Grievous????? - September 25, 2015, 6:10 am

Thanks for the vouch Yakz !

Online and taking any questions.

2 more on my old thread.

If you do decide to purchase, PM me with any questions or problems ?

I have received a vouch copy.

The ebook is good for beginner doxers, however doesn't contain much else that isn't in the Doxing Bible. So it's not really at an experts status.

However, the ebook is very well written and formatted in a fashion where its easy for users to browse effectively.

Overall 7/10. GLWS.

Thanks for the review.

I continue to update the Ebook as I come across new methods.

This Ebook is wrote in such a way where it is easy for the reader to follow, and doesn't look all the same so they will not loose track.

Looks like a promising Ebook.

Hope you don't mind I used it as an example here:
