Thread: [OmniCoin UnOfficial Community chat :\)](#)

Fudster - September 24, 2015, 1:56 pm

I have setup a IRC chat room on freenode with a tipbot.

Server: irc.freenode.net

Channel ##omnicoin

[Webchat](#)

To use the bot you must be registered.

I hope this channel gets used. Would create a sense of community and would allow more people to hear about OMC.
