Thread: [\[EVERYONE\]CSGO Jackpot styled scripts. \[7\]](#)

Incendiary. - September 26, 2015, 2:22 am

Hello,

I recently was given 6 different sources for CSGO jackpot styled sites. I cant guarantee that these scripts work or are in fact for the said sites, as i have not set them up.

What is included:

[csgo.gl](#)

[csgobazar.net](#)

[csgofire.ru](#)

[csgopoor.com](#)

[ezpzskins.com](#)

[csgofire](#)

cswheel. I am not sure of what site this is from.

I will also include a steam trade offers bot. Same as the sites, i have not set this up so i can not guarantee that it works. If something is not working/is fake please PM me and i will remove it.

I am not going to keep posting on this thread. Here is the info.

If you downloaded it please reply to keep the thread alive.
