Thread: [\[IOS\]NEW AND UPDATED METHOD TO GET LOTS OF INSTAGRAM FOLLOWS!](#)

DeadOne1 - September 26, 2015, 8:54 am

Do you want to boost your Insta? Yeah!

Do you want more followers? Yeah!

Would you like to build your stat Instagram? Yeah!!!

I found out a really good method for getting a reasonable amount of followers, takes a little bit of time to set up (avg 5 minutes).

I made a new method because the old method wasn't very good. This method is 10x better.

This method will get you upto 1.5k-2k follows a day (depending on how much time you spend on the method).

I gotta say that this new method that i made is really awesome!

Post here (or pm me) and i will pm you the method.

THIS IS FOR ALL MEMBERS!
