LoicRock - September 28, 2015, 1:28 pm

Thanks bro works for me needed this!!!!!!

Armada - September 28, 2015, 10:14 pm

DO NOT DOWNLOAD

INFECTED LINK !

(Sep 28, 2015 10:30 AM)bradonminecraft Wrote: [\[CITE\]](#) Um the file doesn't even open even running as admin and extracting

It ran perfectly fine, Report to the whitehat section IMMEDIATELY before he jacks your account, get your system clean and CHANGE PASSWORDS.

Sam Winchester - September 28, 2015, 11:02 pm

This file is INFECTED. If you downloaded it, run a virus scan on your computer immediately. You can also seek help for virus removal in the [White Hat Malware, Virus, and Rat Removal Help](#) section.
