Thread: [Rat setup, Crypting + Server Testing \[FREE\]](#)

Unixroot™ - June 24, 2010, 12:19 pm

Hello guys,

if you are facing problems any problem with the rat setup.

Any problem with port Forwarding.

or Need a rat Server test.

msn: PM

You need:

msn

team viewer

DONT POST HERE JUST PM ME

sk8342 - June 24, 2010, 12:25 pm

i added you on my msn im sk8342 but you are offline, i have cybergate working, but i need some help with darkcomet, i have made server following tutorials but they don't work.

Unixroot™ - June 24, 2010, 12:30 pm

you are offline borther,..

Today - June 24, 2010, 12:33 pm

Asked about the service and he signed off, Still waiting to hear from him. Asked him about the crypting.

Unixroot™ - June 24, 2010, 10:50 pm
