Hello hackforums,

I decided to giveaway this little method to get 1000 views for free,
I know that some of you already know this method but there are probably some who don't know this method.

How to get it?
Just shoot me a PM.

McFunny - October 1, 2015, 4:37 am

Got the method, works like a charm.
Thanks for sharing ?

don't be a repwhore xD

if you didn't had asked from the other guy the method and just decide to give it away when you already knew it then would be different story

ehm sorry?

I try to share this method to others, because the thread from the one who has told me this method is not really up in the section.

I'm just trying to help :')

its not bad what you do but the other guy thread you got the method isn't old, its on second page of the section, by helping you could bump his thread, but it wasn't necessary when its not old yet xD

edit: if everyone who get a method here starts make his own thread with the method he got 2 days ago here, it will become chaos :P
