Thread: [>>> MAKE \\$250+ A DAY <<< | Auto-Buy | Auto-Pilot | Proved | Vouched | \[50% OFF TODAY\]](#)

Mons - October 1, 2015, 10:05 am

I have sold a lot of copies of this ebook, and it's getting saturated and not worth it anymore. So I'm seizing the sales of this ebook.

[img]http://dl7.glitter-graphics.net/pub/439/439857hze1vgnqaz.gif[/img] [Purchase now](#) and get a 50% discount for today only!

[Get it now](#) for \$17.50 instead of \$35.

(May 30, 2015 11:30 AM)Metra Wrote: [\[CITE\]](#) Dang. These methods are actually crazy and are so easy to do!!!! I am very new to making money online but Mons' eBook is super easy to follow with lots of pictures. He is also very nice and helpful when it comes to questions!

Update: My earnings after 3 days of work!!! TYSM I love you man!!!!

(Sep 17, 2015 05:01 PM)Kittin Wrote: [\[CITE\]](#) I just purchased this ebook and wow. I have to say Mons did a very nice job with it. The layout is excellent. It is well written. Easy to understand and lots of pictures to show you how to set thing up. I will start on one of the methods tonight. Hope to have some testimonial proof to add later. I really can't wait to try the bonus method.

Thanks for taking the time to write something comprehensive and clear. It is much appreciated.

(Aug 9, 2015 03:58 AM)°C?IL Wrote: [\[CITE\]](#) Vouch for Mons

(The -\$25 is me buying uBer from this method xD)

(Aug 3, 2015 12:02 PM)ProductiveHQ Wrote: [\[CITE\]](#) What a great eBook, the author did a great job and published a eBook that's worth the money, easy to read and understand, contains plenty of alternative methods in-case you don't feel that method is the right one for you. Combining all of the methods together and spending most of your free time doubling your money. Here is how much I made in total using Mons' eBook:

Cheers bro :)

(May 30, 2015 02:38 PM)TylerL Wrote: [\[CITE\]](#)

I've been doing a mix of the first 2 methods in bounce for the past couple weeks, and the results speak for themselves.

Thank you so much for this fantastic eBook Mons! The earnings potential is huge and I haven't even done the second or third methods yet!!! GLWS, I can see this eBook blowing up soon.

(May 26, 2015 04:20 PM)Virule Wrote: [\[CITE\]](#)

Vouch for Evan, minimal work with great outcome.

I'll keep using this method! Thank you!

(May 26, 2015 03:55 PM)Excuse Wrote: [\[CITE\]](#) I've used one of the old methods this user sold, made a pretty big bank off it, i expect those eBooks to be the same. big vouch.

(May 26, 2015 03:34 PM)MysticParadox Wrote: [\[CITE\]](#) Big vouch for Mons! This is one of his top

eBooks so far and I am astounded on how well this book's magic has worked for me!

(Jul 8, 2015 04:02 PM)Null Byte Wrote: [\[CITE\]](#) I'm usually sceptical about buying ebooks on HF, but I decided to buy this one because I got Evan's Quibid ebook a few days ago and it worked amazing. Anyways, the payout after only 24 hours has been absolutely astonishing. Huge vouch to Mons -- he struck gold with this method!

(Jul 11, 2015 02:20 PM)Apostolle Wrote: [\[CITE\]](#) Really good methodes

Here my vouch:

-

-

(Jul 8, 2015 05:45 PM)inb404 Wrote: [\[CITE\]](#) This is my second time dealing with Mons and let me tell you this guy really is solid. I had also purchased his Quibids ebook which was awesome and this ebook is just as great.

The book covers how to make money each and every week. It does this by giving you multiple methods and multiple ways. Some ways are autopilot that can make you a little bit (maybe 75-100\$) per week.

More advanced methods such as arbitrage which can net HUGE ROI. I highly suggest this book to anyone who wants to make a couple quick dollars.

This is the first book I have seen which gives you multiple ways to make money and they actually work as expected with little hassle (some hassle, but honestly very little)

This ebook is not going to make you rich, but it will at least earn 50-75 a week if you do the absolute MINIMUM work.

All in all I give this ebook a 9/10

(Aug 2, 2015 11:50 AM)Rivalry Wrote: [\[CITE\]](#) -----

Hiya, I'm Rivalry. I was contacted by Mons to review this ebook. My review is entirely unbiased, impartial, and fair. I have no affiliation or attachment to Mons or this project.

BASIC INFO

-

Author: Mons

Pages: 73

Number of Methods: 7

Trust Scan: User is trusted

PROFITABILITY

-

There are loads of methods here. None of them need an upfront investment, so theoretically you can set all seven up and make 100% profit on all of them immediately, but (as Evan says in the ebook) if you do so you're missing out. I could see that investing a small amount of money in each method would help to boost its success, and thus boost long-term profits. It's not necessary, though.

Quality of the methods does vary, in my view. Some of them are very clever indeed, and I could see them making lots of money. Others aren't so good, and should be treated as bonus methods to try out on top of the good ones. Nonetheless, I was impressed with the range of methods on offer here, and you would make an absolute killing if you successfully employed all of these.

RATING: A

EASE OF USE

-

Again, since there are so many methods the set-up time differs. Some of them will take you a very long time to get started. However, in my view these methods are also the most promising ones profit-wise (as is often the way with online monetisation), so an investment of time at the beginning could yield large dividends further down the track.

Some of the methods are not as well explained as others, but Evan seems to provide good support so that doesn't really matter.

A few of the methods take next to no time to get started with, and it's clear that the intention of this ebook is to have all of the methods used in tandem, so whilst the big methods with long set-up times are being established you can begin earning using the smaller methods with short set-up times. This has the advantage of also generating capital that you can then plough back into the bigger methods to increase your earnings.

RATING: B+

ORIGINALITY

-

Of the seven methods, I already knew how to do one of them, and I'd heard of methods similar to another two. However, that still leaves four methods I'd never heard of, and those two that were similar to methods I'd already heard about were different enough to raise an eyebrow. It's clear that a lot of thought has gone into writing this ebook, and these methods are all interesting and creative takes on online monetisation. I was impressed.

RATING: A

GRAMMAR/PRESENTATION

-

I spotted a few SPaG errors, but nothing problematic. Layout was fine. The biggest problem I had with this ebook was its presentation; there's a big watermark in the background to prevent leaking, but this is annoying to read around. Some of the methods could be better labelled too, as it was sometimes tricky to see when one method ended and another began. However, I did appreciate the use of pictures to show every step of every method, examples of its implementation, and ideas for niches. The pictures were also often labelled by Evan to point out things and give you useful tips on boosting earnings, so this was very helpful. Often in ebooks authors just include random pictures with no explanation of what I should be looking at, but luckily Evan doesn't do that and actually helps you to see what's important in the image.

RATING: A-

CONCLUSION

-

This is a really different ebook! I say that because usually when you buy an ebook, you expect one or two thoroughly and meticulously explained methods that usually revolve around the same idea. This one is different; instead you get seven methods that are all wildly varied, which was refreshing! The major plus points of this ebook was its breadth, its creativity in some areas, its helpful labelling of pictures, and the way that no method expressly requires an investment. Downsides are the annoying watermark and lacking presentation, and perhaps some lazy people would find the long set-up times on a couple of the methods a nuisance (I don't, because it's more than worth the time invested in the long run).

Overall, this ebook receives an A- rating and is therefore recommended for purchase.

OVERALL RATING: A-

(May 26, 2015 07:06 PM)Kanami Wrote: [\[CITE\]](#) Evan C has hit a dime again and again. I recieved a vouch copy for this ebook and what can I say it is great. Especially for beginners. If you are new to making some form of currency online, this ebook is a fantastic start. This will get you started off and you can put that money towards other things.

Nice Ebook and GLWS!

(Jul 8, 2015 06:20 PM)Visualize Wrote: [\[CITE\]](#) Reading over this I am impressed by his method. This contains a variety of different strategies that will earn you a decent sum of cash! Overall the simplicity of the methods is what I really like about this. You don't have to have special skills, and the work involved is not hard at all. At the start it may seem a little repetitive, but once you see the cash flowing in to your Paypal, or even your BTC wallet, you will be glad you put in the work!

I am familiar with a few of the strategies Evan has put in his eBook, but he does put a unique twist on things that will guarantee you to get sick earnings!

(Aug 10, 2015 02:29 PM)?Fazzer Wrote: [\[CITE\]](#) Design: 9/10

Methods: 10/10

Unique: 8/10

Noob Friendly: 8/10

This is a very interesting eBook. It contains many methods. I was surprised with the uniqueness.

These methods are not that much saturated, I am going to try some methods but i think i will have problems cause i don't live in USA.

Conclusion : This eBook is worth a try. It contains lot of methods. I am sure you will make money if you have patience and time.

I will recommend this eBook to anyone who wants to start earning online.

(Aug 10, 2015 02:52 PM)PirateSec Wrote: [\[CITE\]](#) I have recieved a vouch copy

Originality: 9/10

What I have to say after reading this ebook

I have to say, It's really fucking good.

The ebook contains of 3 never before seen methods that's going to make your money back in no time.

Method Effectiveness: 9/10

My absolute favorite method has to be the first method to be shown on the ebook.

Not only will you make alot of \$\$ of using this method but

I can see a potential way of making slaves while you're at it.

The other two methods are alright but nowhere near the first one.

Either way I can assure you, YOU WILL MAKE BANK!

Ease of use: 8/10

The 3 methods are super easy to setup.

It will probably take you only 10 minutes each.

The payoff is unbelievable, you will not get dissapointed.

I'm not affiliated with OP in any sort of way. I support this ebook 100%. GLWS OP.

Spoiler [\(Click to View\)](#)

How much money can I earn using this?

If you focus, you can make \$40-\$60 an hour.

Is this difficult?

This is not difficult at all. My non-tech savvy grandma could do it.

How long does this take to set up?

5-10 minutes

How long will it take before I start earning?

The moment you start the process!

Is this eBook Blackhat (illegal)?

No. This eBook is 100% Whitehat, and completely moral!

Will this get saturated?

Never.

I live in Somalia and I'm 9 years old. Will this work for me?

Yes, this method will work for anyone who has access to a computer and wifi connection. No minimum age or location required.

Do you offer support?

Absolutely, I offer 24/7 PM support.

Spoiler ([Click to View](#))

I'm not here to waste your time or money. This will make you money, everyone who has bought this has been very impressed and successful in online monetizing. This comes with lifetime support from me. I stand by my work and don't leave my customers stranded. Go ahead and look at other E-Books, but when you don't make a buck come back here in a few days to make real money.

If you wish to pay using a different way/or want to propose a trade PM me below. Along with PayPal, I also accept Amazon, Bitcoin, Payza, Xbox membership cards and Steam gifts.

[Questions, Comments or Concerns? Click here to PM me](#)

T.O.S. - You will not chargeback the payment for this eBook. Refunds will be given if you show proof that you have attempted said methods in Mons' Layered Cash Ebook, and you have not earned. You may not leak, share or distribute this eBook in anyway. Chargebacks or scam reports will result in your support revoked, scam report, negative reputation and your name and UID on my blacklist.

Jason Stattham - October 14, 2015, 7:23 am

I just bought this method, and the only thing i can say it's INSANE. You can really earn money with this and even a skid can do this.

The 1st method

I've never seen this method, it's probably one of the methods that will work 100% on 100% autopilot. Earning a little 200\$ a week is possible at this method. This method CAN NOT be saturated, never ever.

The second method

I've saw this method before, but this is a effective way of earning money. If you spend everyday a little 15 mins to do this you can earn much money in a little amount of time. This CAN NOT be saturated, never ever.

Third method

This method is TOTALLY new for me, I never saw it and i will use it for sure. Be creative at this part and earn money as well! This CAN NOT be saturated, never ever.

Buying this ebook won't dissapoint you. Buy this before i'll come to shake that money out of your ass!
