Thread: [Whats the worst thing you have gotten in trouble for at school?](#)

**Comic Books** - October 1, 2015, 5:55 pm

I havent really done many things that are terrible but i have gotten in to a few physical confrontation and stupid things like not doing my work.

This was all in like middle school but I would like to hear the communities stories. Figured in 2million people there has to be a good few stories.

**Ventriloquism** - October 1, 2015, 5:58 pm

Burning homeless people. \*oh wait\* ...you said at school?

Probably fighting with other students. Basic stuff like that ?

**alnoise** - October 1, 2015, 6:01 pm

AKA a ISS? That dosen't mean he likes you. That is what you would get if he didn't like you as well.

Everytime someone got in trouble they would get kicked out of school for a week. When ever i did something like beat someone up. i just had to sit in his office for 30mins. the math teacher was pissed. he thought i got kicked out but i said i just had to sit in the office and he shook his head. Fuck him and fuck math.

ISS is worse than regular suspension. If you ever had it you would know what I mean.

**nique ta mere** - October 1, 2015, 10:49 pm

I got caught masturbating during a detention.

**Regrab** - October 1, 2015, 10:56 pm

One time I had some stink bombs at school. I had dropped some in the lunch line and they had to get kids out of the line because it smelt so bad and the sulfur could cause allergic reactions, I was ignorant of this at the moment. Nobody but my buddies knew that I was dropping these, I managed to have a box of 36 of these in my locker. Later on I was dropping them in class and on the stairs where everybody walked through, I could hear people gagging from the smell. This was the most fun I ever had in school. Later on the principle came into a class of mine and requested that I come with him. I knew what was going on and said "word spreads fast huh...?" he goes "stupidity spreads fast." I wasn't mad at him, I didn't expect him to be okay with it. Eventually I got 5 days of a program called G.R.A.S.P. This is a really nice out of school suspension program that my county offers for dumb kids like me. You go to the courthouse and the judge has this long "intimidating" talk with all of the kids who have received this punishment, then for the allotted time you go to this room inside of the courthouse and have class in there and sit quietly for 5 hours. The nice thing is that none of this goes on your record, so colleges wont see that and think im some horrible student. I actually preferred this alternative classroom. I took this farther than you wanted I bet xD.

You made the most out of your detention that's for sure. What are they gonna do? Give you another detention? You will just do it again.. What was your punishment? Or are you just joking?

**O.G. Gibson** - October 1, 2015, 11:00 pm

LOL i got in a fight in the lunchroom. he and his buddies surrounded me. I broke his eye socket, cheek bone, and jaw. Then choked him until he was unconscious and kept the guillotine choke still after he went limp. I was arrested and charged with attempted 3rd degree Homicide also known as manslaughter. luckily there were a million cameras in the lunch room and the judge threw it out for "clear self defense that put him in a state of violence" :) but i still got expelled and had to finish highschool online

Lol just realized I made it sound like I killed him. He lived he was just in the hospital a couple weeks xD

**?Spar** - October 1, 2015, 11:01 pm

There was this door into the girls bathroom and a second door into the actual bathroom with a small room in between. The bathroom wasn't used much at all since it was at the back of the schools gym. It was the 3rd time my girlfriend and I got down in the small room when security guards came and saw me pulling out haha her parents were contacted and we both got suspended for 10 days.. Probably the worst thing that has happened.. And the best.

been kicked outta 7 schools, worst was peeing on a teachers door, or dropping a few dime bags out my jacket. teacher grabbed it. I got it back. cuz if they aint buying, they aint keepin.

**?Spar** - October 1, 2015, 11:06 pm

Meaniehead? You should respect your teachers and learn all you can. That way you can do more than they have and make more money than they have. Must have been pretty bad if you were really kicked out of 7 schools. Grats

Ya I went to private school up until high school and that fight happened the beginning of my junior year . So my expulsion made me take 2 months off and then finish my last 6 credits I needed which I

finished in 2 weeks lol. And my dad basically high5d me after watching the video and I went to college when I was 17. Probably best expulsion ever

**ImPerfectPersona** - October 1, 2015, 11:27 pm

Probably being late or cursing. Surprised we didn't get detentions for being obnoxiously loud at the wrong times.

**Zach.Dev** - October 1, 2015, 11:29 pm

The teacher sent me to the office and I asked if I could ask my mom to come and get me, he said so I shit my pants and got 3 days suspension.

**legitkid1** - October 1, 2015, 11:34 pm

Mooning my teacher by accident , well I got dared to moon this girl . So I said fk it and did it , when I look back I see a big ass smile on my teacher's face . I got sent to the dean , she was all cool and sht because i was graduating 2 weeks later . (I was fkn stupid back then )

**?Üta?** - October 1, 2015, 11:38 pm

I had legal actions taken against me for fiddling with school computers.

**duane** - October 1, 2015, 11:40 pm

Me and this teachers assistant had a little fling back in my senior year, and we got caught lmao... long story short she lost her job and I got basically erased from the school and yearbook and had to finish school online lol. even funnier part is everyone made posters "FREE\_\_\_\_" "LET \_\_\_\_ WALK" (with my IRL name)

Still no regrets.

**Harry Styles** - October 1, 2015, 11:52 pm

**shadowfire13** - October 2, 2015, 12:17 am

Hm.....I think either it would have to be breaking a kid's nose because he annoyed me, or getting caught with a weapon and being suspended.

Or it could be what this one kid said that I don't believe, is that I snapped apparently and chased a kid down and almost stabbed him.

Yeah, could be that, but my memory is bad so I don't know if that actually happened.

Best memory is the one where I broke the kid's nose, felt awesome until I got caught later, cause the kid was wearing all white clothes because he had this special going on at school and it just turned all red, sister didn't think it was awesome as I did.

The little shit cunt deserved it.

He was perving on my friends little sister trying to "get with her" when she was 13.

**problems.x** - October 2, 2015, 12:28 am

I got suspended for fucking this kid up who swung at me, he didn't even get in trouble but because I re acted the "consequence" was worth, I did break his nose and fuck up the side of his face tho, the kid was talking shit for weeks saying he's gunna fuck me up, one day he was talking shit so I stood up in class and said "lets fucken go then cunt" he stood up and I pushed him then he swung a hook at me and it got me on the side of my cheek (shit cunt tho because it was week asf) after that I fucking went off, hooked him, picked him up threw him at the white board then started laying into him he only got a few hits on me, he moved now though he didn't talk to me or come near me after that too.

**Tooth** - October 2, 2015, 12:32 am

**Humming Bird** - October 2, 2015, 1:08 am
