The awaited sequel for [Noragami](#)! The hype is real!

Noragami Aragoto

PV ([Click to View](#))

[Video: <https://www.youtube.com/watch?v=BRyWEAC5e2E>]

Synopsis

In the second season of Noragami the main focus is on Bishamon, god of combat. She has many shinki due to her being unable to abandon spirits attacked by Ayakashi. She has a large group of shinki with her as leader, causing her trouble as she sometimes cannot tend to all of them properly, especially when one of them gets sick or is in pain. She has a strong hate for Yato, as a dark past binds the two of them. How will the horrifying events dated hundreds of years ago in combination with current evil happenings affect Yato and Yukine?

Personal thoughts

I really really enjoyed the first season, this anime is amazing and Yato is an incredible character, I wish they cover everything up with this season, about that Nora and all of those weird masks.. As well as the said dark past between Yato and Bishamon!

First ep ([Click to View](#)) Really enjoyed it, it's good to see that it's keeping its feel.

I'm very curious about those masks and shit..

Creepy girl :/

That boy Shinki and the guy with Bishamon in the bath are interesting..

This is hype overdose!

?Thorium - October 3, 2015, 8:02 pm

I just completed the first season and watched the second season's first episode. Looks good so far...

The concept is weird.. The gods aren't really all that mighty lmao.. 5 yen ?? cleaning toilets LOL

Though my favorite when it comes to this kind of stuff is : " The devil is a part timer" Priceless.

eight - October 3, 2015, 8:03 pm

holy fuck i didn't even know s2 was out yet

Annoited - October 5, 2015, 1:01 pm

Can't wait to see how this season goes, been waiting! ?

Bezo - October 6, 2015, 3:17 pm

Loved this part of the manga because of the back story between Bishamon and Yato. Deep AF.

JonBD - October 6, 2015, 4:19 pm

Finally the wait is over.... can't wait to start it.

VYKTOR - October 7, 2015, 4:11 am

The best part of episode 1 was Hiyori's upskirt.

Yeah ^.^

I liked that OST, it's what makes Noragami :)

Etherion - October 8, 2015, 6:21 pm

I'm really looking forward to seeing what happens next, I won't read the manga this time, I like the animation.

Lone - October 8, 2015, 10:13 pm

Watched the whole first season and the first episode of this season recently and really enjoyed it.

Episode 2 ([Click to View](#))

THAT SON OF A BITCH! He should get the crulest death in 2015 fall anime!

Fuuuck.. Poor Suzuha.. T^T And poor Yukine too..

Yato is kinda pathetic tbh.. I sympathize with him. Bishamon is stupid. She sucks.

VYKTOR - October 9, 2015, 5:51 pm

Loving Yato this season.

So I finally found that Bishamon's Regalia responsible for her protection with such less clothes(bikini & shorts) is a girl.

Spoiler ([Click to View](#))

Loved the scene where they all made those girls nude for checkup.

Have you seen the first episode of the 2nd season? Hardcore Noragami vibes. I'd say that they're doing a great job so far.

That bitch really did it, agh. Poor Kazuma..

Shokugeki - October 23, 2015, 11:47 pm

I don't understand why I am not getting a good vibe this season, as I did the first. I don't even enjoy watching it. The first season was awesome.

Guess i'll wait till its done airing to decide.

Criss - October 24, 2015, 2:46 am

I have just watched episode 4 and I can surely say , for me , it has got a great vibe . The only thing i can not stand is the fact that I have to wait another week in order to watch the next episode. I guess he'll use the Nora ...

I can never agree with this. In terms of the vibes, I must say it's really keeping its feel. So far I'm liking this season, a lot.

Man this shit is great.

I just don't get one part.

Minor Spoiler from manga which didn't appear in the anime

Spoiler [\(Click to View\)](#)

The school kid yato helped by giving him a knife or whatever it was, he meets hiyori around ep 1 or 2 of the new season (which didn't happen in the anime) and he says only hiyori was there, he didn't remember Yato or yukine , then why the fuck is Yato doing all these jobs if people aren't going to remember him either way?

someone remembers him, so he does jobs in hopes he is remembered.

At least if I remember correctly.

Episode 5 ([Click to View](#)) Oh. My. God. Wow. This. Is. Sad. Bishamon's weeping was emotional.

I hope they're not dead though, Kazuma and her other shinki.

Yukine is a blessed vessel, hooray. Let's make a party next ep.

So I'm still wondering who's that guy, you can see him on the cover and in the opening song. I bet he's badass.

VYKTOR - October 30, 2015, 9:01 pm

A decent episode.

Looks like this arc will end in the next episode.

dernz27 - October 31, 2015, 10:19 am

These last 2 Episodes are very intense. Really enjoy the show

And we got yandere bishamon today :D

VYKTOR - November 6, 2015, 9:25 pm

Tsu-kun - November 14, 2015, 5:16 am

Finally, we know who's the real wet asshole.

Episode 7 ([Click to View](#)) Yato's tears were touching, man he was very desperate..

VYKTOR - November 14, 2015, 12:36 pm

Yato is definitely one of those characters which has been developed quite well.

Unlike most anime where mc is quite plain mannered, this guy has all kinds of emotions.

Hiyori & yato should get together already.

Tsu-kun - November 20, 2015, 6:48 am

I don't know if this is the right place to talk about it, but the third episode of the OVA was pretty enjoyable. I really loved it, I think Noragami can live with episodic things like that pretty well!

I prefer getting excited about what will happen every week tho..

Episode 8 ([Click to View](#)) Yato became Light at this episode =o

I hope he kicks that Nora's ass as soon as possible. She really stands on my nerves..

Um what to say.. Oh yeah I'd love to see Yukine power up soon, it's been a month so he better be as strong as Kazuma by now ?

And hey, is it only me or did it seem like no one noticed the guy who helped Hiyori? I think people were creeping out since they can't see him.. Can't tell though.

Boo :/

Someone push this up ?

VYKTOR - November 21, 2015, 4:12 pm

Didn't like the latest episode because they were plenty of things left unexplained & it moved quite fast.

Might read the manga &

Hoping for something good next episode

Well.. No matter how fast a certain episode is, it's ok if the other episodes cover everything up.

Unless the anime ends with something left unexplained, I'm pretty ok with one fast episode.

I really hope they don't screw up though.. I fucking hate cliffhangers..
