Pretty lame nominations, kind of disappointing, not really any worthy contributions apart from 1 of odus's

You guys are the best.

I know Odus will probably win becuse his contributions are better than mine by a mile.

But he deserves it too. He is an authority figure here, in regards to the group he owns so of course people will help him get it. Theres no way I'll win it so I'll just say GG to Odus now; well played. I'm still stoked how many people voted for me it means a lot. Have a good day, and well done to Odus in advanced.

Granny Bacon - October 4, 2015, 1:56 am

I voted for Optimized, a great member who contributed in the E-whoring section and Minecraft servers.

Sorry but I don't know these other people, but good luck to everyone. :)

Poor Gigi with those 5 votes lmao.

Optimized, You still have a pretty strong chance. Both you and Odus have made some serious contributions to HF.

I wish you both good luck.

0xBB - October 4, 2015, 3:23 am

Why Odus? He's barely aware of whats an ide. Don't know the others, but as in my experience having him as leader of debug was awful due to his lack of skills and his huge ass ego.

Good luck to all.

I vote for Gigi Hadid. He's a remarkable person who's always ready to lend a hand to those in need, even if you put his valuable contributions aside.

Sadly, this being a popularity contest, I'm afraid he won't win.

PlusnPlay - October 4, 2015, 7:38 am

I voted for Gigi Hadid too. He helps a lot of people with his threads and whenever he can, as a lot of people do struggle in these types of situations. So i think he has made a great contribution to the community.

Froggy keeps it open and the second (for example) I get 185 he closes and I win?

It will go until the winner has a significant lead over the other one after a certain amount of time passes. That's what happened in the last poll.

I have a feeling that it is yes to some extent because he is a group leader but also because of his tutorials and quite obviously most people on HF really dont like me.

So if they had the chance they would want me banned.

Bringing up donations is irrelevant.

I actually gifted Optimized two of his donated awards (Rich Bitch, Brony) and the rest were from his other friend (I believe) so what does donating have to do with this?

Supporting the site should be viewed as a good thing. Not looked at as a way of gaining popularity lol.
