Thread: [Axiom | Official Group | Re-brand Inc | Leader Spot | PP / BTC / WU \[\\$1K\]](#)

Icy? ? - October 5, 2015, 12:58 pm

Something worthy. A premise or starting point.

I am looking for another leader who is active to help run the group along side [Red Sox](#) who is currently also a leader. Reason being is because I work 5 days a week so I can't be on as much as I'd like to be but I don't want to sell Axiom also as I like the direction it is headed. We have a bunch of stuff planned to get the community involved, from giveaways to tournaments. Before anyone else says it yes I also do want to make some money back from Axiom considering I paid over \$8.5k for it plus expenses that need to be paid here and there. A re-brand will be coming soon changing the graphics, the name and hopefully the leader(s). If you're interested please don't hesitate to contact me for more details

Only if I had the \$\$:-)

GLWS.

I wouldn't buy if I had the money but still :-)

Grammar Rays - October 5, 2015, 1:01 pm

Is the money compulsory? Trying to recoup funds is understandable though.

Griev?us - October 5, 2015, 1:02 pm

You said a rebrand is coming. Is there any guarantee we will be able to stay in the group with our leadership positions when this occurs?

I don't really get what you're asking, it sounds as if you're asking if the only way to gain a leadership spot is via payment? If so then the answer is yes.

All current leaders and the new ones will stay leaders. There will be no kicking when the rebrand happens ?

You could tell this group was going to be shit when the owner was selling buy-ins within a week of him buying the group.

Hopefully Fortune or Enterprise will return and it will be "a marketing group unlike any that has ever been on HF."

A buy in is basically a payment that you can join the group.

In the past they always opened a thread for buy ins or wrote it in their recruitments.

Realizm - October 6, 2015, 6:24 am

Will the new group still be gaming based?

Raymond Reddington - October 6, 2015, 6:27 am
