Morty Is Being Nice  
Haveing L33t Is Cool As Ice  
Many Are Written  
Some Will Be Bitten  
Others Will Win  
A Prize Will Be Lend  
Those Who Put Effort  
Will Be Upgraded By Our Shepherd  
And Though I Might Try  
My Success Might Be Fried  
Easy To Enter  
Hard To Win  
Many People Are Destine To Lose  
It's Up To Morty As He Will Chose  
With A Rankup I Would Conclude  
That I Will Hardly Ever Be Crude  
Some Will Abuse The Power They Earned  
Others Like Me Will Never Be Burned

Thank you for the contest,

Oh squiggly line in my eye fluid.  
I see you lurking there on the periphery of my vision.  
But when I try to look at you, you scurry away.  
Are you shy, squiggly line?  
Why only when I ignore you, do you return to the center of my eye?  
Oh, squiggly line,  
it's alright, you are forgiven.

Thanks for hosting the contest OP :)

The reason i want to upgradad is because im 3 years on this forum and a l33t upgrade would help alot., its annoying to delete pm's every time its full and would make it more easy the time here. :-)

Hi I'm Crypt, not a hacker!

I like to fuck people with bats

but I don't like to use mats

I have a pet dog, but no cat!

If you give me l33t; I'll buy a cat.

loljk im poor

let me know if my biceps get in the way

so i can move them away from the bay

so should i buy l33t or will you may?

I am currently eating lay's

(aka walkers in the UK.. bae)

This is a poem... i dont spit bars

but i do like to eat myself some mars

whilst i drive in my cars

however i dont fight in wars

I just want more!

Please give me l33t

so i can give you my meat

it really depends on the concept m8

**Dude why?? Lol** - October 6, 2015, 11:56 am

Hello! I would like to apply for the giveaway of the upgrade to 3pic or l33t.  
I dont know if i am eligible or not. Even if i dont get selected, no hard feelings.

It will be decision of OP. And i will be ready to accept it.

I am a member who wants to be l33t  
Hardworking and helpful who follows a beat  
No one has ever given a fuck about me  
Still i hope someone gives a fuck about my plea

I know that this post can go in a vain  
I know i am a member, meant to disdain.  
My hopes are up and the shoulders are high  
Still from Inside i have a hope to fly high.

Nice contest! Add gift award as well!

**Mediaicon** - *October 6, 2015, 2:53 pm*

I would like to apply for said contest  
As being low rank I do detest  
I think ub3r is where it is at  
So I ask you promote me to that  
So I can access all the great features  
And post more post like a preacher  
I hope that you were not looking for insight  
As my poems point is not so bright  
But if I win I will delight  
And celebrate my good fortune on that night  
But I guess I leave that in your hands  
And will gaze with wonder at your plans

Every day I'm thinking about getting ub3r

Attempting to squash these regular users like freddy cougar

Ub3r makes you a creep

but I want to become a Freak

L33ts step up to me, and I throw them out in the heat

Nobody knows that they're messing with the elite

I see myself as ub3r and a leet sitting in the back seat

He be smelling like feet

and hes so dang beat.

**Bill\_Cipher** - *October 11, 2015, 10:34 am*

I'd like to be L33t,  
I also like eating meat,  
you may say I am a fool,  
however some may differ,  
and say I am a "piffer",  
than just being plain cruel,  
I came across an old man,  
who's first words were "alahkazam",  
and I was then a fly,  
I was then SWAT,  
I thought by a bot,  
but is was really my friend inside,  
some may cry,  
some may fly,  
but, we will all eventually die,  
I walked into a yard,  
with a jam tart,  
and it was some squishy ass shit,  
I grabbed my gun,  
shot my thumb, and then called my mum,  
for some reason she called the police,  
and even my niece,  
instead the hospital,  
I think she's a fool,  
maybe I'll go play pool,  
or go and die,  
as I say,  
we rest during the day,  
and at night we shall come to light,  
and smoke a doob or two,  
but at the end of the day,  
when all whom we care about are away,  
we go have a poo,  
I'll then go to bed,  
to rest my head,  
and then go asleep,  
I'll wake up,  
the next day,  
and hopefully say "hooray",  
for all I know,  
I am fat and slow,  
so it's goodbye,  
I will die,  
once again, I'll say good bye,  
all because of diabetes,  
it fucked me,  
right in the pussy,  
and made me scream aloud,  
although I am a man,  
People chuck frypans,  
and tell me to get back in the kitchen,  
I usually dunk my head in a bin,  
until I start to cry,

I am sad to say,  
the end of the poem is near,  
good luck to all,  
whom enter,  
this amazing give away,  
I wish you guys to best of luck,  
and maybe I'll become L33T some day.

Hope you like it and thanks for hosting the give away, sorry for sexism, none intended, I respect females and treat them as if they were men. Apologies if the grammar isn't great, English is not my strong point... Once again, good luck to all and thank you for hosting this give away.

**B FOR BADASS** - *October 11, 2015, 4:41 pm*

Thank God, the planets don't revolve  
In perfect circles round the sun.  
But wander oval orbits  
Far away in space.

Thank God, the axis of the Earth  
Is turning tilted, like a top,  
And wobbles as it spins.

Thank God, rivers never flow  
In straight efficient lines  
From the heights down to the sea,  
But crash their way down mountainsides,  
Fall over rocky cliffs,  
And carve out twisting valleys where they run.

Thank God, Thank God, for all our days

And for every single creature

And each one's singular, quirky ways.

**Zer0Degree5** - *October 11, 2015, 5:12 pm*

Hello! I would like to apply for l33t! Below is my poem titled:

-=[The Benefits of Being a Member]=-

I tell a joke and you tell one too,  
people laugh at me, but they laugh along with you.  
When I do something, you do it better.  
Sometimes I think, why do I even bother?  
Am I the draft and you the good copy?  
People try me, but then they switch to you.  
But what they don't understand is that,  
One day ill be a member too!

because if you won't upgrade me i'll kill you  
so better upgrade me (1,8 sec delay) foo

Thanks <3

**Hackin** - October 12, 2015, 1:29 pm

When i began i was a member,  
back in 2014 playing games like slender,  
I'd browse these forums every single day,  
cringing at kids calling each other "gay",  
Until one day i gathered my strength,  
The deed was done, my donation for l33t sent!  
I loved the perks of this new gain,  
It even gave me a coloured name!  
The potential for more power drove me insane,  
And i knew from then on, i'd never be the same!

And so, with the quest for L33T finally complete  
The new quest for Ub3r began to proceed!  
I tried my best to give back to the forums  
By making GFX and answering problems,

Until the day came, where i finally felt ready,  
I'd heard the denial rate was quite extraordinary..

A week passed without a reply,  
My confidence dwindled, my hopes began to die...  
Then one day i noticed an unread message,  
The approval bot gave me a present  
Alas i was accepted ! I jumped with Glee!  
I wasted no time in paying Omni!  
I loved the way my name shined with blue  
At last i had joined the elite crew!  
And so i ask you help me finish my journey  
Give me 3pic and i'll have all three!  
If you do this i'll be grateful,  
I'll tell stories of you as an Angel!

Hope you enjoyed haha ?

**Witz** - October 12, 2015, 1:38 pm

Money is green,  
Green is L33t,  
L33t is weed, gives me heat.  
Being a "L33t" must be special because its legal.

But all the things in your head is just one word.

I'd rather spend it on me,  
green

I hope we can all post; propriety

And all be one big happy hf Society.

**B4ROT** - October 13, 2015, 5:12 am

Hey there Morty! My skid days are past me, unfortunately. I am only on HF for the vices section, and I love it! You, BK Randy, and a couple other members have always stood out to me as respected vice members, and I hope to be there some day! Hopefully that can start out with an upgrade to l33t? Regardless I'll continue to be an active user, but l33t would be pretty cool. As far as the poem goes, I decided I'd write one about my perception of the life of Morty.

Benzos, opiates, Morty does it all  
He'll tell you straight up man, won't even stall,  
Nicest druggo you'll ever meet?  
Shit he's just too busy out hustling on the street  
\$23,000 dollars in just one month,  
"Shit kids, buy my eBook while I roll a blunt!"  
But his sales were trashed and his reputation was mashed  
For he was a lonely druggo who never crashed  
Opiates to stay awake  
Indica to dream and bake,  
Doesn't matter what drug you have, Morty will take it like cake.

I would really like to be upgraded to L33T, because well, L33T is some h4x0r sh1t, green like the color of money (I love money ?) and I don't want to be seen as a LQ user anymore.

I would love to upgrade, I'd promise to be a contributing member of this community! Thanks for the opportunity and goodluck to everyone!

**PurpleIsAColor** - October 14, 2015, 6:36 am

Roses are red, violets are blue, I have no life besides HF, so give me L33T now?

I suck at poems.

You have to write a poem dude.

**HFZhyonn** - October 18, 2015, 8:57 pm

Entering for 1337 and my reasoning is because it would be an honor. I would like to contribute to this forum but without 1337 comes many restrictions. Please consider my post and if you reject it I thank you for reading.

**B4ROT** - October 21, 2015, 1:42 pm

Hey Morty, if this thread never reaches its post goal, will you still be giving away?

**h?ck?r** - October 21, 2015, 2:39 pm

Hey Morty this is my poem.

I contribute as much as I can to these forums,  
And I definitely try to post with proper decorum.  
I may not have the most number of posts on hack forums,  
but the current ones I do have I definitely adore 'em,  
Being l33t would save me from all the restrictions and prohibitions,  
So please upgrade me to l33t,  
'cause poem writing ain't no easy feat.  
I always treat good members with respect and everyone can have their piece,  
I just really hate pretending so all you get is me.

So thanks for this opportunity,  
for giving back to this community,  
and for giving me a chance to advance to l33t

Thanks :D

**Menacing** - November 4, 2015, 9:22 pm

Thanks for this opportunity.

L33T is what I'm hoping to greet.  
That event, that moment, is what everyone aims to meet.  
Morty is happy and has sick feet, oh wait, I guess that makes him... happy feet.  
I just realized I'm shit at rhyming, so I'm off about to go skydiving.  
Thanks for this opportunity I hope I've astounded your feet, this is a once in a lifetime opportunity.  
One I am keen to meet.

(Pro poems/11)  
Goodluck and thank you Morty!

**letsPlayUp** - November 4, 2015, 11:11 pm

Thank you for hosting this!

So what is this L33T by the way?  
Is this something you gotta pay?  
Oh, I don't have money for this one.  
But don't worry mate, Morty's the man.  
He's upgrading members for free.  
Just explain why you're worthy to be.  
"I may be a beginner, but I can easily learn  
So L33T is for me kind sir, this is now my turn"

**BLVCK?d** - November 5, 2015, 12:01 am

Just going to join in for fun, k.  
I realized that this modern world  
we lived in had no peace, going on Youtube  
and seeing videos of innocent civilians  
getting beaten by the police.

I used to show positivity but my  
high school years just gave me negativity,  
it turned me into radioactivity.

I was so weak, I signed up on Hackforums dot net  
to learn hacking techniques. I started to look at my  
self and found out that I was unique.

You may think I'm a freak, but after learning these  
techniques my game is no more weak, I could probably  
kill the internet for a whole week.

I know I'm still L33T :(, but maybe in the future  
I can become the winning UB3R, I'm off lads, time to shut down my computer.

**Jesse Pinkman.** - November 5, 2015, 12:04 am

I'm smart, I tell myself as I fail an exam  
I'm strong, I tell myself as I cry on the floor  
Ah who am i kidding? Even this poem is a joke  
I'm not smart I'm not strong in fact I'm usually wrong,  
but if you give me a chance, I will take it and RUN!
