Thread: [1-Cent VPS Method \[Semi Free\]](#)

Hello HF, I figured I'd give this out. Its pretty known but its really simple. You only need one penny in PAYPAL.

Pm me to receive the method/info.

You'll receive a VPS that is;

1 Core
1 GB RAM
25 GB HDD
1 TB Bandwith

It isn't much but I am sure you can find a use for it. Leave feedback

?
