Thread: [how to deal with those "give me xxx minutes preview guys"](#)

thebignasty - October 8, 2015, 5:51 am

Hello,

Today i was asked over ten times by different pedos, questions like:

"give me 10 minutes preview"

or

"Longer than 30sec??"

or

"can i have 2 minutes preview".

Imo the preview is not supposed to be time limited, its just a preview.

How to deal with those assholes? I don't want to cut off them directly, but i don't see reason behind those 2-5-10 minutes preview requests.

Not to mention that some guys cum for 2 minutes or have their small cock already prepared, and after i show up them cum immediatelly.

What should be my excuse, to give them just a preview, without time limits and so on non-sense bullshits.

One more:

"maybe I see one min to be sure?"

"me camera broke" i cant parents are home" please baby i need the money and every guy says theyll pay and wont" baby im horny i cant do a show though" sisters sleeping next to me" cant i dont want people to recognize me" any of these work.

No bro,

Some guys paid me in the past, but today in 1 hour over 10 guys asked me the same weird question and im.....

Its not the classical time waster, its 50/50, but i need a good reason to give me just a preview, and not some long stupid preview, because its 50/50 and i usually have more guys waiting

This is offtopic but what an idiot:

"20 bucks is nothing, I will pay but that's after I watch"

Even if you don't want to cut them off directly, I think it would be the best if you did it to spare yourself some time.
