Can you do animated signatures? You think you can do better than my current signature? :)

If so, I'd love to get one. Thanks a lot for doing this man!

I own SkinFlipper.com which is a growing CSGO Gambling website.

We're in need of a clean & simple logo. If no one decides to be nice and do it for free, we'll consider paying :)

I prefer it to be silver, black, white (contrasts) and simple.

Thanks a lot!
