Would like to test it, send pms - regards Shollex.

DataDumper - October 9, 2015, 7:18 am

No problem i just sent you a pm, have fun bro :)

xx 0x0 xx - October 9, 2015, 7:47 am

good thing to see members share there stuff :)

SHOLLEX - October 9, 2015, 7:53 am

Great little program, really useful for beginners, vouch for you :)

edit : some dorks are still blocked by google

for example : "inurl:"products.php?prodID="" shows only 2-3 adresses. you might want to fix it

DataDumper - October 9, 2015, 9:24 am

shollex look operators tips

dont use " thing go for

inurl:products.php?prodID=""

or

inurl:products.php?prodID=

Should work fine

@@edit if it wont let me know ill fix it, its just beta :)

SHOLLEX - October 9, 2015, 10:41 am

yeh ikr, with quotes wont find any, meanwhile without finds only 2-3 so you should take a look by yourslef and try to fix it, other sheet works just fine - this looks promissing tho :)

TheLoneWolf - October 9, 2015, 11:01 am

I would like to test it :)

DataDumper - October 9, 2015, 11:52 am

@TheLoneWolf i will send u after i fix the bug in some min

@shollex thanks and i will fix it and send you the fixed one, its not google block, just maybe a bad if statement

Legux1337 - October 10, 2015, 12:40 pm

Hello man , can you send it to me in Pm <3

Dude why?? Lol - October 10, 2015, 12:43 pm

Hey Bro, I want it. Appreciated!

@LupinThe3rd check your pm, and have fun =]

LupinThe3rd - November 5, 2015, 1:52 am

Hi FANeq,
Thanks for the PM and the URL ?

But I do not get results ?
whether inurl with your preferences or with its own request => inurl:?fdx_switcher=mobile

What could be wrong lie with me, Firewall / Port?

thx

DataDumper - November 5, 2015, 9:24 am

Be sure that u didnt put space before or in dork,

For dork: Code inurl:?fdx_switcher=mobilei have:
Code http://drwilderman.com/?fdx_switcher=mobile
http://www.kidclicks.org/google-safe-search/?fdx_switcher=mobile
http://progressivepumps.com/chemical-pumps/?fdx_switcher=mobile

TigeyGoesMew - July 12, 2016, 11:44 am

Posting to come and get this later

mzaboss - July 14, 2016, 11:18 am

I think it's a bad idea, when people hack massively. It's sound so not OK. There's no point of that.
